

# Techniques for Decorated and Illuminated Capitals

with Susan Keyes

This workshop focuses on the decoration and illumination of Lombardic and Black Letter Capitals. We will explore techniques used in historical manuscripts and by engrossers who made formal documents in the 19th century including: shading, vines, split colour caps, filled caps, filigree, turning leaf, diaper patterns, tooling, ornamentation and engrossers' boxed caps.

The steps to construct elaborate border treatments will be set out.

This workshop is for all levels of experience although some knowledge of Lombardic and Black Letter scripts would be helpful. These letterforms will be supplied to use as a basis for decoration.
