WELCOME TO THE EAST END

We do not
remember
days; we
remember
moments

DON'T TRY TO
COMPREHEND
WITH YOUR
MIND. MINDS
ARE VERY
LIMITED.
USE YOUR
IMAGINATION.

Madeline L'Engle

Sweet Spots

- Donna Uncles

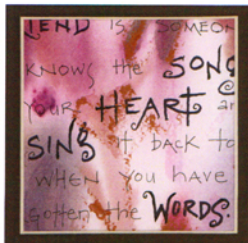

Birthday card for my uncle's ninetieth. The numbers are based on Jean Formo's drawn numbers in a little booklet: Uncommon Numbers.

Sweet Spots

- Renate Worthington

Part of the rose done for the Alberta Rose Flood Project.

The Song in Your Heart
Watercolour on 140 lb paper; micro Uniball vision pen; fine point Sharpie; Liquitex metallic copper; brushes.

Sweet Spots

- Sharon Fahey

I used a favourite quote about friends - emphasizing those words for the reader so the "sweet spot" did not require seeing all the words in the quote. The brown colour of the frame inspired me to work with the muted palette, black inks and metallic copper highlights. My goal was to leave some white space so the dark frame would draw out the significant parts of the quote. I like to keep some details hidden from the viewer.

Sweet Spots

- Kerri Forster

Just played with a friend this summer during holiday time in Victoria, trying new things.
