

## MOVING CHAOS

by Greta Baack

Membership in the Bow Valley Calligraphy Guild is entertaining, educational, up-lifting, mentally and physically stimulating (how many bags of calligraphy supplies can I carry at once to the workshop?), friendly, sometimes exhausting (this is the fourth day of this workshop and I still don't get it!), and stupendous fun. Living in Calgary and attending meetings and workshops truly has been a treat. Luckily membership doesn't mean I have to live in Calgary; I will still be a BVCG'er in "there's no place like home" Kansas. It has been wonderful to be a part of the BVCG local membership. Thank you! Now to packing boxes.

Chaos evolving into Creativity. A collaborative effort with Sharon Fahey and two pre-teen grandchildren. The colours were chosen based on what the favourites were at the time - orange, blue, yellow and a little red and green. Found objects and stencils were used to embellish the work. Voila! A one of a kind masterpiece (which Sharon says she finds looks better with the passage of time).
