

Call for Submissions

Artwork by Renate Worthington

Travel restrictions have eased and many of us are travelling again. The theme for the next Galleria is "write Down the Road." Tell us about your travel adventures or your dream of travelling. Where have you gone? Where will you go? Show us your travel books, journals, maps, broadsides, armchair imaginings and more. The next Galleria is planned for January 2023 and will be online. Watch the eBulletin and website for updates.

2023 Library Exhibition

June 2023

BOW VALLEY CALLIGRAPHY GUILD

EXHIBITION

AT THE BEAUTIFUL CALGARY CENTRAL LIBRARY

A Bow Valley Calligraphy Guild exhibition is planned for the month of JUNE, 2023 at the beautiful Calgary Central Library location.

That may seem like a long way off but it will be here before we know it.

We are excited about this opportunity to once again invite the community to see all the wonderfully creative & classy letters BVCG members make.

Maybe you have a project or lettering style from a class that you want to explore further.

Let the ideas percolate and be ready when the call for entries happens.

Watch for more details on our website and in the eBulletins.
