Section 13 – STICKER PAGES

1. Student Sticker Sheets

The value of using stickers to motivate students is well-known. Alphabet and number stickers can be used to track a student's progress in learning the lowercase and uppercase letters and the one-digit numbers.

As the students learn each letter and number, they can be given the sticker for that letter (lowercase or uppercase) or number to glue on their sticker sheet.

To the right is the student's sticker page.
