

**June 2011 workshops with Denis Brown.**

If you haven't visited Denis' website – check out quillskill.com. We are thrilled to offer 4 days of workshops with Denis in Calgary as detailed below. Each script is based on the same principles of Denis' italic analysis, but applied to two very different arch-forms. Those who do both classes will understand each script better from experiencing the other one, yet each can be an independent theme for those who are only able to take one of the classes. Also, those who attend both classes will gain a better understanding of italic in addition to two new scripts.

Note the experience level for both classes is intermediate to advanced. Advanced pen techniques are demonstrated in both scripts. Having said that, Denis says "there is no entrance exam, no final exam to graduate and all are welcome if they are enthusiastic even if not so experienced." Denis makes time to see each student one to one as much as possible after each group demo and in these one to one sessions, he works with whatever level of the individual. All are welcome. If you have any questions about your experience level or the classes themselves please contact Thea Paul at paul.family@shaw.ca or 403 288 6526.

**Celtic Hybrid with Denis Brown**

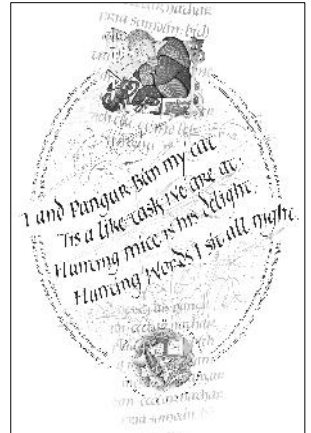

Ancient Celtic half-uncial script is beautiful, but generally inappropriate for contemporary use. When a Celtic feel is appropriate, Denis generally uses a hybrid form, blending insular characteristics with a modern roman or italic.

We will look at principles of modernizing ancient forms and practice a hybrid between a Celtic and an italic script. The hand is appropriate for modern use where a Celtic feel is appropriate.

Saturday & Sunday, June 11 and 12, 2011 / 9 a.m.– 4 p.m.

Level: Intermediate to advanced.

\$160 members / \$180 non-members

**Gothic Scripts/Batard (Cursive) with Denis Brown--**

The term GOTHIC encompasses a fairly wide range of styles, from static Texturas to fluid Bastarda cursives and modern Gothicized Italics and hybrids. We will focus more on a cursive style. This script features pen-angle manipulation and energetic 'flicks' of the pen to give a fresh and lively rhythm.

Monday & Tuesday, June 13 and 14, 2011 / 9 a.m.– 4 p.m.

Level: Intermediate to advanced.

\$160 members / \$180 non-members
